Course Learning Objectives

At the end of this course you will be able to:

- Pass the PMP® Exam offered by the Project Management Institute, with full confidence
- Identify gaps in your knowledge that may hurt you on the exam
- Be more comfortable with the types of questions you will see on the exam
- Use tips to pass the exam that have been used successfully by thousands of people
- Design your personalized test taking strategy

Why Take This Course?

Imagine what the class designed by Rita Mulcahy PMP, one of the world's experts on the PMP® Exam, might be like. Why should you take our Accelerated prep class?

1. There is no study required after this class. You will be ready to sit for the exam on the very next day.
2. Whereas others spend days walking you through the inputs and outputs of the *PMBOK® Guide*, we will show you how to understand them in only minutes.
3. You will take computerized exam simulations in class, SO YOU WILL KNOW you are ready to sit for the exam and you will have evidence to prove it.
4. You will utilize the best-selling materials available to pass the PMP® Exam-including Rita's book, PMP® Exam Prep. You will also gain access to study materials not otherwise available to the general public.
5. You will learn topics that are on the exam but are NOT in the *PMBOK® Guide*, as well as, reasons why others fail the exam and how to avoid these critical mistakes.
6. You will understand how to analyze and answer the most difficult questions on the exam, and quickly tackle situational questions that seemingly have more than one correct answer.
7. You will discover what you know, as well as what you do NOT know, to help fill your knowledge gaps.
